Vision and Innovative Steps

- **Justice education-** Legal education shall ensure not only knowledge empowerment but shall also impart social justice to the poorest of poor by legal literacy and sensitization in the society on various legal issues
- **Court Room Teaching-** Practical Application of law and court room teaching are integral part of quality legal education
- **Continuous Legal Education-** No one is master of law and everyone shall update the knowledge of law as its student. Training for judges, lawyers and law teachers shall be done periodically.
- **Skill development Program-** Lawyers with specialization and skilled in specific areas will ensure speedy justice to the common man
- **International Lawyering-** Student of Law is no more a lawyer of India but shall be trained to practice at global scenario
- **ICT applications in teaching-** E-learning, e-litigation and e-justice are the future of modern legal system
- **Innovative Academic Programs-** Para legal courses in Cyber Security, Mergers & Acquisitions, IPR, Foreign Investment, Air & Space , Media and Law, Social Legislations etc are the need of hour.
- **Knowledge Partnership:** Knowledge Empowerment is possible only through knowledge partnership in the form of academic and research collaborations, teacher –student exchange programs and joint degrees
- **Centers of excellence** – there is need for Centers for excellence in specialized areas attached to every institute for promotion of justice.
- **Value Addition and international placements:** ~ establishment of finishing school, language lab and training for international placements along with value addition courses are the basic need of law students.
- **Inclusive practices-** adherence to inclusive practices will ensure women empowerment , juvenile justice and justice to senior citizens.
- **Inter-disciplinary approach-** Law is omnipresent and therefore it must be integrated and researched along with other disciplines like management, science and technology
- **Research programs:** The inherent quality of law is it changes with change in the society and therefore demands innovation and high quality research.
- **Creativity, connectivity, capacity building, competition and credibility** are 5 C's of success in the world of challenges.
